7. It will be seen from G.O. 8. It was also directed to be ascertained when the vigraha would be got ready by the mutt & whether the gold coins presented by the Swami could be sold.

9 The Mug: Comr. has, accordingly, submitted for sanction an estimate for Rs 2090 prepared, after personal inspection by the D.E & some others and under instructions of the Exe: Engr., though the cost was roughly estimated at Rs 1500. To

Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

Referring to Government Pro.No.588-91/M.F.2-24-6 dated 24th October 1924 in the matter of the consecration of an ammanawaru Vigraha in the Sri Rishyasringeswaraswami temple at Nigga, I have the honor to forward herewith copy of letter H.C.No.5/24-25 dated 11th December 1924 from the Deputy Commissioner, Kadur District, reporting as to the progress of work done so far and promising to submit separately definite proposals in respect of matters requiring further orders.

I have the honor to be,
Sir,
Your most obedient servant,
K. Chandy
Muzrai Commissioner.

KSR.

Letter NoH.C.5/24-25 dated 11th December 1924 from the Deputy Commissioner, Kadur District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.16/24-25 dated the 25th --- October 1924 requesting that necessary arrangements be made to consecrate the Ammanavaru Vigraha in the Kigga temple as early as possible etc., I have the honor to submit for perusal, copy of the Koppa ---- Amildar's Report No.218 dated 2-12-24, received through the Sub Division Officer, Tarikere, with my marginal remarks on the several points raised therein. The Executive Engineer, Kadur Division, who was requested to prepare and send an estimate for the construction of a temple for -- consecration of "Ammanavaru Vigraha" has opined that as Mr.Chennakesava Rao of Kigga is willing and is prepared to construct a temple for ---- Ammanavaru within the temple premises, a lumpsum contract for Rs.950/- to be completed before the end of January 1925, may be given to him. Meantime, he has asked the Assistant Engineer, Koppa, to prepare an --- estimate within the said amount and as soon as it is received after the scrutiny of the Executive Engineer, it will be submitted to you for sanction.

2. The Amildar of Koppa taluk has reported that there is no likelihood of the Matt authorities supplying a suitable "vigraha" within the prescribed time, and that Mr. Chennakesava Rao of Kigga has made arrangements to get a new "Vigraha" prepared from Karkola for Rs.250/-. This proposal is deserving of acceptance. I have asked the Sub Division Officer, Tarikere, to get an estimate prepared for Rs.250/- and submit it early. On receipt of the same, I shall submit it for favour of --- sanction.

3. The Amildar further reports that a lumpsum grant of Rs.2000/- is required for feeding the Brahmins and others purposes during consecration of Ammanavaru which should last for 9 days. The amount -- asked for is heavy and the temple can ill-afford to spend such a large sum especially in view of the fact that the repairs to the temple -- buildings which are urgent and should be undertaken without delay will deplete the balance at credit. The Executive Engineer is preparing a consolidated estimate therefor. In these circumstances, I do not -- think any amount in excess of Rs.1000/- can be appropriated for this purpose. The additional funds required should be made available by the devotees. Even then, the total cost of the function will aggregate

to about Rs.2250/-. I have requested the sub Division Officer, to get up an estimate limiting to Rs.1000/- for this business and the same to this office very early. After the receipt of the same, I shall submit it for favour of sanction. The several proposals will be submitted separately for orders. This report is forwarded with a view to explain the action taken so far."

Muzrai Commissioner in Mysore,

To

K. V. Anantaraman, Esquire., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

In continuation of this office letter C.No.16 of 24 dated 19th December 1924, I have the honor to submit herewith copy of letter D.C. No.5/24-25 dated 27th February 1925 from the Deputy Commissioner, Kadur District, reporting on the arrangements about the consecration of ----- Ammanavaru Vigraha in the Sri Rishyasringeswaraswami temple at Aigga in the Koppa Taluk.

2. The report accompanying the estimate explains the design and -- the scope of the proposed construction. As the work has been started already in anticipation of Government approval, I beg to recommend that the enclosed estimate for Rs.2090/- may be sanctioned, the charge --- being met from the amount realized by the sale of 109 gold coins ------ (Lakshmi Kasu) presented by H.H.the Sri Sringeri Swamigalu, and from funds at the credit of the Institution. Pending the disposal of the coins as above, the Comptroller to Government may be authorised to -- transfer to the credit of the Public Works Department the entire amount of the sanctioned estimate from Institution Funds in the first ---- instance.

3. As regards expenses connected with consecration ceremonies, I submit herewith a report by the Agamiks of this office furnishing ---- their opinion about the estimate prepared by the temple authorities and the Dharmadarsis. The estimate is much exaggerated and according -- sanction to a sum of Rs.6389/- is impracticable. The estimate as --

revised

revised by the agamiks seems to be all right and I beg accordi recommend that a sum of

Rs. 900-0-0 for agama and connected expenses.

Rs.1000-0-0 for Santarpane.

& Rs. 100-0-0 for unforeseen expenses.

Rs.2000-0-0 may be sanctioned as opined by the Deputy Commissioner. Any expenditure over and above this sanction, should be met by the devotees themselves. The charge may be ordered to be met from the temple funds. A sum of Rs.4409-15-2 was available at the credit of the temple on 30th June 1924.

4. Sanction may also be accorded for melting 34½ tolas of gold said to be available in the temple and for the preparation of necessary jewels for the Ammanavaru to be newly consecrated. It would have been better if the Deputy Commissioner had submitted a regular estimate with information as to under whose supervision the jewels are proposed to be done. The Deputy Commissioner will now be written to in the matter and he will also be instructed to have the gold melted and jewels prepared under proper safe-guards. The advance of Rs.150/- asked for may, in the meanwhile, be sanctioned, as there is not much time to be lost.

5. As the occasion is an important one, Brah: Nandeeswara Deekshit, agamik of this office, will also be deputed to Nigga to be present on the occasion.

6. The enclosures to Deputy Commissioner's letter are submitted for reference and kind return.

I have the honor to be,
Sir,
Your most obedient servant,

C S Balasundaramayya

Muzrai Commissioner.

No.H.C.5/24-25 dated 27th February 1925 from the Deputy Commissioner Kadur District to the Muzrai Commissioner in Mysore.

"Adverting to Government Order No.588-91/Muz.2-24-6 dated the 24th October 1924 in regard to the consecration of the Ammanavaru Vigraha in the Kigga temple, Koppa Taluk, I have the honor to state that the Executive Engineer having proposed after personal inspection of the spot that instead of making alterations or additions to the existing temple contemplated in the Government Order, it would be desirable to have an independent shrine with a Garbha-gudi 9' x 9' and a Veranda 9' x 6' in front for the Ammanavaru, I visited the temple on the 22nd January 1925 in company with Mr. T.G.Lakshmana Rao, Administrator of the Sringeri Jaghir, and the D.P.W. Sub Division Officer and some of the Dharmadarsis of the Institution. We were unanimously of opinion that the proposal of Dharmadarsis approved by the Government is the most suitable as it will cost least - and will not, if the new Garbhagudi is built in the same style as the -- existing temple, in any way mar its appearance. Mr. T.G.Lakshmana Rao gave detailed instructions to the Sub Engineer as to how the additions ought to be made. As the new shrine was expected not to cost more than Rs.1,500/- and as the Government have directed that the work should be completed by the end of March, I asked the Sub Engineer to take the work on hand in anticipation of sanction to the estimate.

2. The Executive Engineer, Kadur Division, who was requested to ---- expedite the estimate for the construction of the shrine in question states in his letter No.87 dated the 15th instant, that he has instructed the -- D-P.W Sub Division Officer, Koppa, to expedite the same without further - delay and that it might be expected in the course of 2 or 3 days. He has however, intimated that orders have been issued to the local Officer to -- commence the work immediately in anticipation of sanction to the estimate, which may not exceed Rs.1500/-.

3. As regards the idol required for consecration, I have this day --- received a letter from the Agent of the Sringeri Matt stating that the -- Vigraha will be delivered to the Dharmadarsis in time for the consecration.

4. Next, as regards the consecration, the Amildar of Koppa now reports that the most auspicious date in the immediate future is the 28th May 19.. ( ).

and the Vigraha will be ready for necessary further action being in the matter. (vide his report dated 19th February 1925.)

5. The Mutt authorities are agreeable to the utilization of the sale proceeds of the gold coins referred to in the Government Order for the construction of the shrine in question.

6. A sum of Rs.6,369/- is reported to be needed for the expenses of the consecration ceremonies as per estimate and lists received from the Amildar (herein enclosed) in consultation with the Dharmadarsis. I told the Dharmadarsis that as the temple is badly in need of repairs, a sum of Rs.2000/- only (Rs.1000/- for ritual expenses and Rs.1000/- for feeding etc.,) could be sanctioned from the temple*funds, and that the balance will have to be met by public subscriptions. It will be seen from the resolution of the Dharmadarsis dated 11th October 1924 that they originally wanted Rs. 2000/ only for this purpose. This amount may be now sanctioned. The Dharmadarsis told me that day that they would collect the balance by subscriptions.

* Rs.9753/- to end of November 1924.

7. It is reported that there are certain unserviceable gold jewels in the temple weighing 34½ tolas. The Dharmadarsis proposed that this gold may be melted, refined and utilised for the necessary jewels ~~jewels~~ for the Ammanavaru Vigraha and accordingly request that a sum of Rs.150/- may be sanctioned towards charges for preparing the same locally under proper supervision. This amount may also be kindly sanctioned.

8. In view of the urgency of the matter and of the direction of Government that the building and consecretion should be completed before the end of March 1925, I am submitting this ad-interim report as to how matters stand at present for the information of Government."
